

QA FOR THE SYSTEM

A note: can u change the system background unlike to white make it dirty white to make the eyes of the customer good not hurting

SUPERADMIN ROLE NEED CHANGES

1. ICONS TOO MUCH COLOR LIKE ON MENTIONED HERE : DASHBOARD ON QUICK ACTIONS,

2. MODULE MANAGEMENT COLOR ICONS AGAIN

3. ANALYTICS BUT HAVE ANALYTICS DASHBOARD NAME? AND IS THIS ANALYTICS ACCURATE? DO YOU HAVE ANY IDEA HOW IT WORK TO MAKE IT FUNCTION?

5. on the landing page on the superadmin when logging in no go to dashboard button unlike other roles

CRM MODULES ON SALES ORDER WHEN I CANCEL ORDER THIS HAPPENED

The screenshot displays the ClientSphere Super Admin dashboard. The left sidebar contains a navigation menu with sections for ADMINISTRATION (Dashboard, User Management, Module Management, Analytics, System Settings, Audit Logs) and CRM MODULES (Customers, Sales, Support, Marketing, Billing). The 'Sales' module is currently selected. The main content area is titled 'Sales Management' and includes a 'System Online' status indicator, a '+ Create New Sale' button, and four summary cards: Total Revenue (\$0), Pending (\$0), Total Sales (0), and Avg Deal Size (\$0). Below these is a search bar and a table with columns: SALE ID, CUSTOMER, PRODUCT, QUANTITY, AMOUNT, STATUS, SALES PERSON, and ACTIONS. The table is currently empty, displaying a 'No sales found yet.' message.

SALE ID	CUSTOMER	PRODUCT	QUANTITY	AMOUNT	STATUS	SALES PERSON	ACTIONS

ADMIN ROLE CHANGES

1. THE QUICK ACTIONS SHOULD BE REMOVED ON THE ADMIN ROLE BECAUSE IT HAS RESTRICTED AND GOT MOVED TO SUPERADMIN ROLE
2. PLEASE ADD THE SYSTEM SETTINGS ON THE ACCOUNT
3. THERES A BUG WHEN USING ADMIN ACCOUNT ROLE WHEN I PRESS SOME BUTTONS IT SHOWS SUPER ADMIN???

SALES MANAGER ROLE CHANGES

- THE PASSWORD Sales123! Dosent login the account can you fix

SALES STAFF ROLE CHANGES

- Same with the sales manager Staff123! Dosent login the account

MARKETING MANAGER ROLE CHANGES

- Same with the two roles it seems I cannot login the account for some reason

MARKETING STAFF ROLE CHANGES

- Same with the other roles I cannot login to the account for some reason?
same with support staff too
- Same with the billing
- Same with the customer
(suggestion add a change password navbar for the accounts want to reset password the accounts put it on the super admin because the account has full access)
