User Management, Move the summary cards to top, otherwise, good

Use different colors to make it more clear, for color blind people it's hard to see the closed and pending

The screenshot shows the ClientSphere CRM dashboard with the following interface elements:

- Header:** ClientSphere Customer Relationship Management System.
- Left Sidebar:** CRM MODULES section with "My Dashboard" and "Campaigns" buttons. The "Campaigns" button is highlighted in blue.
- User Profile:** Marketing staff profile: "marketing.staff@clientsphere.com" and "marketing.staff@clientsphere.com".
- Logout:** Logout button.
- Bottom Text:** Marketing staff, overlapping.

The screenshot shows the ClientSphere Customer Portal interface. On the left, there's a sidebar with a logo and navigation links: Overview, My Orders, Invoices, Support Tickets, and Profile Settings. A user profile card displays the email 'customer@clientsph...' and 'Premium Member'. A red 'Logout' button is at the bottom of the sidebar. The main area is titled 'Create New Ticket' and contains a sub-form titled 'Create New Support Ticket'. The sub-form includes fields for 'Subject' (with placeholder 'Briefly describe the issue...'), 'Priority' (set to 'Medium'), and 'Description' (placeholder 'Please provide detailed information about your request...'). At the bottom right of the sub-form are 'Cancel' and 'Submit Ticket' buttons.

**Why should the customer put what the priority of their problems?**  
Shouldn't it be the Support Staff? if reviewed, then they can put which priority it should be.  
**UI Improvements, Background color too similar with cards, add contrast to BG Color**
